Dear investors - How to read the attached spreadsheet ?

The purpose of the attached spreadsheet is to provide our Luxembourg funds' investors with a regularly updated list of available share classes.

The attached list includes, in principle, all share classes mentioned in our last Luxembourg fund range prospectus'. Some of the funds/share classes may not be registered and/or authorized for distribution or commercialization in your country. We recommend that you refer to the important disclaimer above and seek advice of professional advisors.

Most of the share classes are shown in column D as "active", meaning that there are assets linked to them and NAVs are calculated according to the prospectus. Any order received via our Transfer Agent - BBH - for those share classes will be executed in accordance with the terms of the prospectus.

Other share classes are qualified of "not launched/inactive" in column D, meaning that there is currently no asset in the share class. The reason may be that the fund has not been opened for subscription by the respective Board of Directors yet, or that the share class was active in the past but that there are no shareholders invested currently. It is important to note that, in those cases, the Key Investors Information Document might not be readily available; according to the UCITS IV framework, this fact prevents our Transfer Agent from executing your order swiftly. Might you want to subscribe into those "not launched/inactive" share classes, then we advise you to contact diligently your NN Investment Partners Account Manager to discuss the most appropriate approach to your investment intentions.

Please note that this list may be changed without pre-notice. Updates are regularly posted on NN Investment Partners website: www.nnip.com.

The ISIN code and the fund share class exact denomination are also provided. Please refer to the relevant official prospectus' for additional descriptions and features of the share classes.

For further information, please contact NN Investment Partners Fund Info department at following e-mail address fundinfo@nnip.com or your usual Account Manager.

We warmly thank you for your confidence in our Fund range.
